

Everytime I Get to Drinking

Sunnyland Slim

Every time I get to drinkin',
Yyou know my baby roll 'cross my mind
Every time I get to drinkin'
My baby roll 'cross my mind
The little girl keep my poor heart worryin'
Lord, I'm in confusion all the time Well now sometime I get to drinkin'
Children I just drink, drink all the time
Well sometime I get to drinkin'
Lord I drink, drink all the time
Well I don't be drinkin' 'cause I'm thirsty
I drink to ease my evil mind Is you ever loved someone,
Every now and then, they roll 'cross your mind
Is you ever loved someone long time ago
Every now and then, they roll 'cross your mind
They ain't nowhere right at the present
But they're somewhere down the line
