Stand Alone

Jon Stevens

Do you know who I am
Now that I've found myself without you
All those days of insanity
Are better off behind meTime to move on, again
Now the moment is goneI'm out on the highway
I'm moving on
Ain't no going back now
Stand aloneLooking back, you don't change
You know you're just the way I remember you
When you're old and I'm grey
Will you think about what we used to do?Was it true love in your eyes?
Or did hate make us blind?I'm out on the highway
I'm moving on
Ain't no going back now
Stand aloneStuck in the middle
You let me down
Ain't no going back now
Stand aloneStand alone
Stand aloneOur mistakes in this life
Makes us wonder why
Follow faith, we'll be alright
Keep on moving on the highwayI'm out on the highway
I'm moving on
Ain't no going back now
Stand aloneStuck in the middle
You let me down
Ain't no going back now
Stand aloneStand alone
Stand alone, yeah
