Catch Me If You Can

Millionaires

She was not the first
And he won't be my last
My hunger and my thirst
My brilliant future
And my ugly past
They'll all be here with me
'Til my web is spun
My blessing and my curse
There'll be no rest
Until my work is done
Catch me, catch me if you can
Catch me, catch me when you can
I can't control myself
You won't have a clue
Of what is coming next
What I'm gonna do
Surely classical in its effect
Which limb will I choose?
Which one gets sawn in half?
Which leg would you lose?

To an arachnophobic psychopath
Catch me, catch me if you can
I wrestled with the devil and I'll do it again
Catch me, catch me when you can
I can't control myself
Catch me, catch me if you can
I'm scheming with the demons and I'll do it again
Catch me, catch me when you can
I can't control myself, I can't control myself
Catch me, catch me if you can
Catch me, catch me when you can
Catch me, catch me if you can
I'm scheming with the demons and I'll do it again
Catch me, catch me when you can
I can't control myself, I just can't control myself
I'm scheming with the demons and I'll do it again
I wrestled with the devil and I'll do it again
I'm scheming with the demons and I'll do it again
