

# Bang Bang Boom

## The Moffatts

Early morning, I got Mona Lisa by my side  
What's the story behind that devious smile Do do do do  
Do do do do do do  
Do do do do She's an angel, now she's the monkey on my back  
She has freedom still she never lets me go now And my blood starts pumpin' and my heart goes jumpin'  
Every time she says, 'I have to go now'  
But it really don't matter for worse or for better  
She will always be my number one [Chorus]  
She goes  
Do do do do  
Do do do do do do  
Do do do do  
My heart goes bang bang boom  
Do do do do  
When she walks into the room  
Do do do do  
My heart goes bang bang boom She supplies me whenever ever I'm in need  
Still a thief from the day she stole my heart now And my blood starts pumpin' and my heart goes jumpin'  
Every time she says, 'I have to go now'  
But it really don't matter for worse or for better  
She will always be my number one She goes  
Do do do do  
Do do do do do do  
Do do do do  
My heart goes bang bang boom  
Do do do do  
When she walks into the room  
Do do do do  
My heart goes bang bang boom When she walks into the room  
She makes me touch the sky  
A devil in disguise  
She makes me touch the sky  
An angel in disguise It makes me cry, yeah, yeah Mona Lisa by my side  
With a devious little smile  
She's a devil in disguise  
She can make me touch the sky,  
Love supplier when I'm in need  
Stole my heart and me bleed  
I don't mind

I don't mind  
I don't mind When she goes  
Do do do do  
Do do do do do do  
Do do do do  
My heart goes bang bang boom  
Do do do do  
When she walks into the room  
Do do do do  
My heart goes bang bang boom Do do do do  
Do do do do do do  
Do do do do  
My heart goes yeah yeah yeah  
Do do do do  
When she walks into the room  
Do do do do  
My heart goes bang bang boom
