

# Felony

## Emmure

Felony  
What you do to me  
It's just like murder  
In the first degree  
You're killing my heart  
It's a felony  
Felony  
In tight blue jeans  
I did know  
She was so sweet  
You're killing my heart  
It's a felony  
I've been shot down  
By a heart so cruel  
You're laughing  
You take me for a fool  
I've been struck down  
Left lying in the dirt  
I never knew  
How much love could hurt  
You're killing my heart  
It's a felony  
So come on baby  
What you gonna do  
I can't help myself  
Now it's up to you  
Felony  
What you do to me  
It's just like murder  
In the first degree  
You're killing my heart  
It's a felony  
What you do to me?  
Felony  
What you do to me?
