Corpsex

Corpsefucking Art

[Lyrics & Music - Andrea Cipolla]Today for dinner beef
But is it really beef?
One product I do want on my table
Corpsex
Mixed fingers, salad and dessert
All in one jar
Blowing out of corpsexDo you know the product?
It's discounted at supermarket
Corpsex sales
Mixed fingers, salad and dessertDo you want to know what does it taste like?
Corpsex
Mixed fingers, salad and dessert
It tastes of ananas
