

You Spin Me Right Round

Dope

Yeah I, I gotta know your name
And I could trace your private number, baby

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some

Well, I set my sights on you
And I, I've got to have my way now, baby

All I know is that to me
You look like you're havin' fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round,
You spin me right round, baby
Right round like a record, baby
Right round, round, round

And I, I got to be your friend now, baby
And I would like to move in just a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round,
You spin me right round, baby
Right round like a record, baby
Right round, round, round

I want your love

You spin me right round, baby
Right round like a record, baby
Right round, round, round,
You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round,
You spin me right round, baby
Right round like a record, baby
Right round, round, round
