Ready Or Not (I'm Coming)

Oomph!

Eckstein, Eckstein, welcome to my playtime
Eckstein, Eckstein, if you peek then you'll die

Once again I lie and wait here
Time to play our little game
If I find you then it's fate, dear
Just me winning once again

And now I can hear you breathing
And now I can smell your fear
I can't wait now 'cause I'm seething
I'll make you my souvenir

Eckstein, Eckstein, welcome to my playtime
Eckstein, Eckstein, if you peek then you'll die

Eins, zwei, drei, vier, funf sechs sieben acht neun zehn!

Ready or not, I'm coming
Ready or not, I'm coming
Ready or not, I'm coming
Pray to your god, I'm coming
Hide your soul

Always longing for your touches
Always dreaming of your hair
Once I'll have you in my clutches
That's when we'll play truth or dare

Eckstein, Eckstein, welcome to my playtime
Eckstein, Eckstein, if you peek then you'll die

Eins, zwei, drei, vier, funf sechs sieben acht neun zehn!

Ready or not, I'm coming
Ready or not, I'm coming
Ready or not, I'm coming
Pray to your god, I'm coming

Hide your soul

Go hide now!
Hide your soul

Eins, zwei, drei, vier, Eckstein
Alles muss versteckt sein
