

# Ready Or Not (I'm Coming)

## Oomph!

Eckstein, Eckstein, welcome to my playtime  
Eckstein, Eckstein, if you peek then you'll die

Once again I lie and wait here  
Time to play our little game  
If I find you then it's fate, dear  
Just me winning once again

And now I can hear you breathing  
And now I can smell your fear  
I can't wait now 'cause I'm seething  
I'll make you my souvenir

Eckstein, Eckstein, welcome to my playtime  
Eckstein, Eckstein, if you peek then you'll die

Eins, zwei, drei, vier, funf sechs sieben acht neun  
zehn!

Ready or not, I'm coming  
Ready or not, I'm coming  
Ready or not, I'm coming  
Pray to your god, I'm coming  
Hide your soul

Always longing for your touches  
Always dreaming of your hair  
Once I'll have you in my clutches  
That's when we'll play truth or dare

Eckstein, Eckstein, welcome to my playtime  
Eckstein, Eckstein, if you peek then you'll die

Eins, zwei, drei, vier, funf sechs sieben acht neun  
zehn!

Ready or not, I'm coming  
Ready or not, I'm coming  
Ready or not, I'm coming  
Pray to your god, I'm coming

Hide your soul

Go hide now!

Hide your soul

Eins, zwei, drei, vier, Eckstein

Alles muss versteckt sein
