

# Lead the Way (feat. Electric Nana)

## Carlos Jean

I can smell the sound of love.I never had any doubt,  
I knew that i would end up wrong and this is where I got.

An empty crowd crying out loud,

Praying for the wrong that apparently i've done.

Looking kinda dumb, people staring at my crown:

I have no magic kingdom but i own all that i touch.

I might not be your girl, but i'm everything you wanna be.

I'm daddy's little girl with some mud on my cheek.

And i'm calling your name, i don't know my own.

And i try to forget who i used to date.

All Iwant is to go, is to go away.

Wanna come?

Just lead the way, i'll follow you everywhere.

I don't need a reason to be your friend,

I just love the way that you make me spin, out of control, I'm outta control.

Just lead the way, i'll follow you everywhere.

I don't need a reason to be your friend,

I just love the way that you make me spin, out of control, I'm outta control.Going up

And going down

I can sense the emptiness,

I can smell the sound of love.

Plan b, i've got my plan b

Dont know if you have it but i want to make you see

I've my plan b

This is my plan b

Dont know if you have it but i want to make you see
