

# Parade Rain

[Hedley](#)

You can't tell me what I'm never gonna be  
You can't hold me down if I wanna be free  
Who said you're allowed to rain on my parade  
You can't tell me not to fly 'cause I gotta  
Every time they put you down, you get up stronger  
Don't bring around the clouds to rain on my parade  
The stars could fall out of the sky but I keep standing  
I can't  
be stopped, no we won't be shaken  
Hearts like a drum, beating not breaking  
We're never gonna stop  
And if it keeps on raining  
We'll march until the sun comes out  
And say so long, parade rain  
So long, so long, so long, parade rain  
So long, so long, so long, parade rain  
Anywhere you live, there's negativity  
It's what you give, the negatives will never live with me  
Come and hear me shine so loud, right through the clouds  
The stars, could fall, out of the sky but I keep  
standing  
I can't be stopped, no we won't be shaken  
Hearts like a drum, beating not breaking  
We're never gonna stop  
And if it keeps on raining  
We'll march until the sun comes out  
And say so long, parade rain  
So long, so long, so long, parade rain  
So long, so long, so long, parade rain  
Ain't no way they're puttin' out this fire  
Every jab, cut, burn, we burn brighter  
Ever heard somebody shine so loud  
And stand up so proud  
Right through these clouds  
Ain't no way we're puttin' out this fire  
Every jab, cut, burn, we burn brighter  
Ever heard somebody shine so loud  
I can't be stopped, no we won't be shaken  
Hearts like a drum, beating not breaking  
We're never gonna stop  
And if it keeps on raining  
We'll march until the sun comes out  
And say so long, parade rain  
So long, so long, so long, parade rain  
So long, so long, so long, parade rain  
So long, so long, so long, parade rain  
So long, so long, so long, parade rain
