

Girl You Know It's True

Stevie Brock

Girl you know it's true
In love, in love, in love
Girl you know it's true
oh, oh, oh, I love you I'm in love with you, girl
Cause you're have on my mind
You're the one
I think about most everytime
And when you pack a smile
In everything you do
Don't you understand girl
This love is true Your soft, silky hand all sweet and thin
It makes me want to hold
It again and again
You lighten up my day and
That's oh so true
Together we're one separated we're two To make you all mine
All mine is my desire
Cause you contain a quality that I admire
You're pretty and simple
You rule my world So try to understand
I'm in love girl, in love
I'm so in love girl, in love
I'm just in love girl, in love
And this is true Girl you know it's true, oh, oh, oh
I love you
Yes you know it's true, oh, oh, oh
I love you (Girl I love you)
Girl you know it's true
My love is for you
Girl you know it's true
My love is for you It's a funny thing girl I can't explain
My eyes light up
When I hear your name
When your sweet, sweet voice rings in my ears
I just can't wait girl, until you're here
And your positive outlook
I really enjoy
It's just like a crush between
A girl and a boy These feelings I get, I often wonder why

So I thought I might discuss this
Girl, just you and I
It's not what you wear or
That I think you're a star
The reason that I like you girl is for
What you are
If I said I'd think about it
You rule my world So try to understand
I'm in love girl, in love
I'm so in love girl, in love
I'm just in love girl, in love
And this is true Girl you know it's true, oh, oh, oh
I love you
Yes you know it's true, oh, oh, oh
I love you (I love you) Girl you know it's true, oh, oh, oh
I love you
Yes you know it's true, oh, oh, oh
I love you (I'm in love)
Girl you know it's true
My love is for you
Girl you know it's true
My love Girl you know it
Yes you know it's true
