Let Me Go

Phantogram

This golden glow
Is not happiness
It's the dust that you kicked on my face
Before saying goodbyeOh memory
Won't you speak to me?
Can you show me the boat in my soul
That can sail me back homeLet me go
You can shave me down
You can clean my teeth
Get me ready to meet all the people
That I thought I knewBut my memory
Has mistaken me
Can't remember the last time
I felt so incredibly youngSo let me goAnd I try
To leave
But my bones,
Just won't agree
And I try,
To believe
You should try
Set me freeLet me go
