

I Can't Remember

All These Kings

Turn

Turn around, you say

'Scuse the 'tude but I haven't eaten today

And my eyes are turnin' gray

What's your name?

I can't remember, I can't remember

Bring me down, you try

Feel the pain and keep it all in till you die

Without eyes you cannot cry

Who's to blame?

I can't remember, I, I can't

Remember identity

The visions in my mind from screamin' at me

And mama, mama, ooh, my angry brains of infancy

Knocked down but I have enough hate to breathe

Down your throat and steal your energy

Took everything but my will to be

Now the loss of your God won't make me bleed

I am alive
