

Don't Wait for Me

[Jesse Harris](#)

So take it easy
I know you blame yourself
The only way I can see it
I'd have to be somebody else Now the day is endin'
The frozen rain has blown away
The cold night is beginnin'
And I am bound to fade away Don't wait for me
Don't know how long I'll be
Could take eternity
Maybe one day we'll see
How I wanted us to be You're like a piano
All you gotta do is push a key
The arm movin' the hammer
Strikes a note of melody
