

# Four Fingered Fisherman

## Modest Mouse

You're in the back seat and you say to yourself  
Okay it doesn't matter anyway  
It's weeds pulling weeds and your blaming yourself  
Okay we're all indifferent in our own ways  
You're in trouble now and you say to yourself  
Okay my baby clean conscience anyways You're in the back seat and you say to yourself  
Okay it doesn't matter anyway  
It's weeds pulling weeds and you're blaming yourself  
Okay we're all indifferent in are own ways  
You're in trouble now and you say to yourself  
Okay my baby clean conscience anyways Four fingered fisherman alright  
Finger four fisherman so uptight  
Hello you're getting on no one  
You're both right  
Four fingered fisherman all night long  
Four fingered fisherman so uptight though  
So uptight hello
