## Voxtro

Every little thing I do, I do for you  
With every little thing, I think a thought of you  
And I try so hard not to notice  
I try so hard not to care  
I try so hard not to know that you're not here  
But I'm counting down the hours  
And I'm counting up the days  
I try so hard not to show this side of me  
Jealous of the way they walk, the way they talk  
'Cause I don't think they know just what they got  
I'm jealous of the way they look, the way they are  
When I just want to be the way we were  
And I try so hard not to notice

I try so hard not to care  
I try so hard not to know that you're not here  
But I'm counting down the hours  
And I'm counting up the days  
I try so hard not to show this side of me  
Well, I try so hard not to notice  
I try so hard not to care  
I try so hard not to know that you're not here  
But I'm counting down the hours  
And I'm counting up the days  
I try so hard not to show this side of me  
This side of me, this side of me  
This side of me, this side of me  
This side of me, this side of me  
This side of me, this side of me  
This side of me
