

Jerk

Todd Rundgren

With friends like these
Who needs enemies?
With friends like these
Who needs enemies?
With friends like these
Who needs enemies?
With friends like these
With friends like these I wanna grind you down to atoms
Grind you down to atoms
I wanna grind you down
Grind you down to atoms Jerk
Why bother
Jerk
Why bother
Jerk
Why bother
Get you out of my system I wanna pound you down to powder
Pound you down to powder
I wanna pound you down to powder
Pound you down to powder
