

# Leave Me Alone

## Extreme

As for this song, I'll set the mood  
There's nothing wrong, prefer solitude  
Alone to think, what I don't know  
Deeper I sink, further I'll go Nothing to fear, no need to hide  
I'm already there, came in from outside  
Safe in my nest, my home, sweet home  
No invited guests, I just want to be alone Leave me alone, leave me alone, leave me alone  
(I wish you would leave me alone)  
(I wish you would leave me alone)  
I just want to be alone It's better this way, no one will get hurt  
If you stay away, I won't lose my shirt  
If I've become defensive  
I'm not the one you're living with Leave me alone  
(I wish you would leave me alone)  
Leave me alone, leave me alone  
(I wish you would leave me alone)  
(I wish you would leave me alone)  
(I wish you would leave me alone)  
I just want to be alone Leave me alone  
(I wish you would leave me alone)  
Leave me alone, leave me alone  
(I wish you would leave me alone)  
(I wish you would leave me alone)  
I just want to be alone, leave me alone I wanna be, I wanna be, I wanna be alone  
I wanna be, I wanna be, I wanna be Leave me alone, leave me alone  
Leave me alone, I just want to be alone Don't feel sorry, it's not your concern  
Only the lonely, ones who get burned  
Safe in my nest, my home, sweet home  
No invited guests, I just want, I just want, I just want To be alone  
(I wish you would leave me alone)  
(I wish you would leave me alone)  
Leave me alone Leave me alone  
(I wish you would leave me alone)  
(I wish you would leave me)  
I just want to be alone
