Salvation

Caliban

A long distance run without any tension
Raptured soul, raptured life
A long distance run without any tension
Grow in the half of a night, bloom!
Live this life in straight lines
Step aside, step below
Watch yourself falling
Flight lines, light lines become clearSlightly I remember the way
To the origin of despairReality is what come firstAttempt to see through my eyes
Careless and senseless devotion
Nothingness is a part of me
On the behalf of you imagination.The blackened curtain seems to fall,
Beside the stage we lose out soul,
A different place, a distant time,
Say goodbye.. salvationBlacken the earth and darken the skyA long distance run without any tension
Raptured soul, raptured life
A long distance run without any tension
Grow in the half of a night - bloom!
Live this live in straight lines
Step aside, step below
Watch yourself fallingWatch yourself falling
