

The Backwards Pumpkin Song

Dance Gavin Dance

Sit down, call off the cavalry
I'm stealing the jewels
In a slow motion action replay
Bar fight, I invented chivalry
Notch in my bed post
Slow motion action replay[2x]Now the fog is rolling in
Bringing us that much closer, to a senseless end
Oh, please don't get up, I'll get that for you
It's selfish to say I believe when
I believe all these lies and long enough[Don't just lay on the ground son]
[Don't just drown in the fountain]
And I don't know you
I don't know you[2x][You got stuck preaching action]
[I fell down using tact son]
And I don't know
I don't know you[2x]Bring back this fight tonight
All of these lies that I uphold[Don't mind them they can't elope]
For one good note[Leave them off of the great boat]
All of these lies that I uphold[Don't mind them they can't elope]
For one false hope[Leave them off of the great boat]One False HopeGo on and fix your tie
And just lead the line out
Needless to say, I stumble and you play, all night longFix you tie and just lead the line out
Needless to say[8x]Bring back this fight tonight
All of these lies that I uphold[Don't mind them they can't elope]
For one good hope[Leave them off of the great boat]
Bring back this fight tonight
All of that I uphold[Don't mind them they can't elope]
For one false hope[Leave them off of the great boat]Now you'll find, as I rewind
Now you'll find, it's not the point[4x]One Love
