

Devil Inside

Powerman 5000

Here come the woman
With the look in her eye
 Raised on leather
With flesh on her mind
 Words as weapons
 Sharper than knives
 Makes you wonder
How the other half die
 Other half die

Here come the man
With the look in his eye
 Fed on nothing
 But full of pride
 Look at them go
 Look at them kick
 Makes you wonder
How the other half live
 The devil inside
 The devil inside
Every single one of us
 The devil inside
 The devil inside
 The devil inside

Every single one of us
 The devil inside
Here come the world
With the look in its eye
 Future uncertain
 But certainly slight
 Look at the faces
 Listen to the bells
 It's hard to believe

We need a place called hell
