

# Phone Machine

## The Vandals

Hello, no one can get to the phone right now so I'm so sorry I missed your call  
I'll see you on Sunday  
Good-bye, I love you.  
But,  
if this is you,  
you can suck my tick!  
if it's my boss,  
fudge you! I quit!  
Anyone else,  
you can do the same  
don't leave a message,  
unless you're viking lame!
