

# Gino

## Zack Sekoff

Alright are you ready for this one?

Alright this is big news  
I've been spending my time  
In cheap motels

I've been drinking the wine  
For the cheap price it sells  
I've been cooking it up  
In Joey's garage

It's like Zappa to Cappa  
Pappa to Drumma  
Drumma to Mumma  
Mumma to Gino

Even so  
But the cat that's got the dough  
He's got a cool expression  
You know it's Gino

You know it's Gino  
Saying brother to brother  
Hate one another  
Sister to Father

Father to Daughter to drummer  
Oh Gino  
Gino  
Gino  
Oh No I Hate Gino
