

# Crazy

## Barenaked Ladies

I climb the walls of my mind just like Im climbing on the jungle gym  
I am more than content with the state of mind I am in  
Cause I am crazy just like you, I am crazy just like you I dont think I need a rubber room, but that might be nice  
Im not a manic depressive paranoid or schizophrenic  
So I dont need your advice  
Cause I am just crazy just like you, I am crazy just like you The lights are on but nobodys home, my elevator  
doesn't go to the top  
Im not playing with a full deck I've lost my marbles  
The lights are on but nobodys home, my elevator doesn't go to the top  
Im not playing with a full deck I've lost my marbles Im a few bricks short of a load but a full load always hurt  
my back  
I flew over the cuckoos nest and Im never ever coming back  
Cause I am just crazy just like you, I am crazy just like you  
I am crazy just like you, I am crazy
