

Welcome

Phil Collins

Theres nothing complicated
About the way we live
We're all here for each other
Happy to giveAll we have, we share
And all of us we care
So come onWelcome to our family time
Welcome to our brotherly time
This is a festival
You know 'em best of all
We're here to share it allTheres a bond between us
Nobody can explain
Its a celebration of life
We see friends againI'll be there for you
I know you'd be there for me too
So come onWelcome to our family time
Welcome to our brotherly time
This is a festival
You know 'em best of all
We're here to share it allRemembering love ones departed
Someone dear to your heart
Finding love, planning a future
Telling stories and laughing with friends
Precious moments you'll never forgetThis has to be the most beautiful
The most peaceful place
I've ever been to
Its nothing like I've ever seen beforeWelcome to our family time
Welcome to our brotherly time
We're happy givin' and takin'
With the friends were makin'
Theres nothing we wont doWelcome to our family time
Welcome to our happy to be time
This is a festival
You know 'em best of all
We're here to share it allBest of all
We're here to share it
Welcome to our family
We're here to share it all, ya
Welcome to our family
