

# Baptism

## La Strada

i have to go  
i have to go the train has left the station  
i have to go it's time to go now  
no need for tears  
this game we've played  
a hundred years  
a drink to remembrance  
from a dusty glass  
then out of the bar  
and into the snow you may call it sudden  
you may call it mundane  
this road i must walk down  
has only one lane  
i'll leave my slow town  
and you behind  
and get to the river  
to wait in line  
for my baptism
