Last One Standing

ScholarMan

(Opening dialogue)

1st Verse

My tongue dangerous / spit venom a cobra / rattle your brain / stop your breath / its over / bull-dose ya / you aint a soldier / just a chick thatâ€™s looking for new closure / where ya manhood / dude where your backbone / quick to pull a gun, son / get your scrap on / rough grill / like youâ€™re tough with skill / small time / Iâ€™m the heavy weight deal / yall cats just posers / chicks that bend over / again Iâ€™m a cobra / venom your clickâ€™s over / I spit thunder / down pour / the rain and / cats know the name and / militant guns aimed and / fuck the government / and dudes thatâ€™s on that other shit / rhyme for the love of it / honor divine covenant / real emcees / revolutionary hip-hop / roll with them cats thatâ€™s real / and never flip-flop / rise to the tip top / the last one standing / reprimanding / any man not demanding / their fucking freedom / content in being slaves / Iâ€™m the rebel in the cave / heading north for days / trying to get to my contact / to establish my contract / get my pistols ready / ready for combat / its all for the family / I dream on what can be / selling drugs to your people donâ€™t make you manly / donâ€™t make you tough / donâ€™t make you a smart nigga / you just a puppet / time to get smart nigga!

CHORUS X3

Much soul and
Iâ€™m taking control and
Game molding
The truth is unfolding
ScholarMan and
The last one standing
Real hip-hop is what Iâ€™m demanding

2nd Verse

I rhyme with deep impact / complexity the syntax / Iâ€™m the general emcee / you lieutenant / the truth I defend that / competition I win that / Uncle Sam on trial / yes defendant / hot I been that / sick words / my pen at / put your hands in the air / where all my kin at / lets tear this place up / stand tall / face up / the warâ€™s here / get your guns and boots laced up / put up the barricade / keep the wack emcees out / the best in the game / my name you cant leave out / sick words sneeze out / got it locked your keys out / you cant run with the best / youâ€™ll blow your knees out / hundred yard dash / I pass cats in seconds / eat em up / and come back for seconds / buffet / Iâ€™m hot I must say / scorching / cats cant touch me / burn your fingers off / turn all your heaters off / Iâ€™m enough in the room / demand to be the boss / yes the rebel / I stand tall at all times / 100% heart in all rhymes

CHORUS X4

Much soul and
Iâ€™m taking control and
Game molding
The truth is unfolding
ScholarMan and
The last one standing
Real hip-hop is what Iâ€™m demanding
