

Cece's Interlude

Drake's

All night I've been staring,
Can you tell I want you?
Can't be too wide open,
But there's nothing I won't do,
Oh, just thought you should know,
That when you start to laugh, oh
See, I just want what I can't have, oh
Want her to give me a chance, oh
Claiming I'm just not as serious as you,
Shawty if you only knew,
This is serious. Uh, I wish I, wasn't famous,
I wish I, was still in school,
So, that I could have you in my dorm room,
I would put it on you, crazy,
Cause when you start to laugh, oh
See, I just want what I can't have, oh
Want her to give me a chance, oh
Claiming I'm just not as serious as you,
Shawty if you only knew,
This is serious.
