

Of All The Things

[Dennis Lambert](#)

Of all the things I've ever done
Finding you will prove to be the most important one
I would never trade the tears
The conversations no one hears
The learning how to walk before we run
Of all the kites I ever flew
Most came tumbling down
Except the one I sent up with you
I don't wanna change a thing
Break the spell or cut the string
When every wish I make is coming true with you
Sometimes I forget to say how much I love you
Purposely I bet cause I'm so busy thinking of you
So in this world of odds and ends
I'd rather have a part of you than all of my so-called friends
You have taught me how to feel
What is false and what is real
Of all the things I ever wanna do
I think I'll start and end with loving you
You have taught me how to feel
What is false and what is real
Of all the things I ever wanna do
I think I'll start and end with loving you
