

Vacancy

Amanda Rogers

I know you're always alone
Looking for someone, a home
 Don't wait for me
 I'll be all right
 In the ocean of your mind
I know I've seen better days
Walking through life like a maze
 But I can see
 You'll be alright
 In the ocean of my mind
 Turn on you light
 Shining vacancy
 With you I'm lost
 Like a shell in the sea

 But I'll pray for you
I hope you will pray for me
 I know your always alone
Looking for someone, a home
 I know you're always alone
Looking for someone, a home
 Don't wait for me
 I'll be all right
 In the ocean of your mind
 And you'll be alright
 In the ocean of my mind
