One of One

Aryginal

â€œOne of Oneâ€•
Ground Breaking
written by: Andre Moss Jr. (BMI)
produced by: Randall K. McGriff
performed by: Aryginal

[Aryginal, E.M.B.-Chorus:]
HOMIE Iâ€™M ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone
ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone

[Aryginal-Verse 1:]
What more can I say, I mean what more can I ask for
Thick middle eastern laying naked on my shag floor.
Head game excellent
Plus she ride Equestrian
Give her a little medicine
She turn into a lesbian
My pipe game serious so she gone stay
I let her boyfriend mug I donâ€™t see those lames
Nigga Iâ€™m shining I donâ€™t see no shade
Iâ€™m too busy getting cheese corner to corner Iâ€™m Doritoe paid.
Welcome to the salon, let throw some tracks on you
Conrad Murray how I kill that Mike

Put me next to Pee Wee, Mister Rogers, Big Bird, Go Diego yeah Iâ€™m still that nice.

[Aryginal, E.M.B.-Chorus:]
HOMIE Iâ€™M ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone
ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone

[Aryginal-Verse 2:]
Aryginal spit diesel, premium, try to hold a candle to me
Turn him to a man on fire, wit no Denzel movie
Step onto the same track and get derailed homie
Unlimited bars, like got a million cells on me
We aint fit the same
They looking sloppy, Iâ€™m that new kid on court hungry, like Iâ€™m her to play
The flow killin lames
shove these nuccas in a box and bury them under some trees like itâ€™s Christmas day
Heard they were running shit, Arygi blew they knees out
Had the game on lock but look who got the keys now
Itâ€™s hard for me to stomach this, they lost sight of what real music is, Iâ€™m the optometrist
All the fans can see now.

[Aryginal, E.M.B.-Chorus:]
HOMIE Iâ€™M ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone
ONE OF ONE
Naw. I donâ€™t do the same shit

I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone

[Aryginal-Verse 3:]
I do hotter shows, hotter interviews
Spit hotter bars, do hotter songs how can I can I loose
Iâ€™m Aryginal, naw we aint identical
Plus I hustle and grind harder thatâ€™s critical.
When you give them wordplay, metaphors, real shit
Storyline, love joints, loading up the steel shit
Pop shit, commercial, underground ill shit
They take it is fake so I expect to be ridiculed.
I donâ€™t do the same shit, I donâ€™t live where they live
My state of mindâ€™s on a whole other continent
every move I make I â€˜ma be on my Obama shit
Do some shit the game donâ€™t expect while I conquer it.

[Aryginal, E.M.B.-Chorus:]
HOMIE Iâ€™M ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone
ONE OF ONE
Naw. I donâ€™t do the same shit
I donâ€™t live where they live
I be in my zone
I be on my own shit
I stay in my zone
I be I be on my own shit
Catch me in my zone
