

# If You Fall

Steve Earle

I saw you lookin' at that girl like that  
Yeah I saw her too boy I know right where you're at  
But you better be careful  
'Cause she ain't the kind you're gonna forget  
How much you want to bet If you fall in love  
Nothin' gonna be the same  
You walk around callin' out her name  
You throw your heart down like a glove  
Push come to shove  
You only end up lonely and blue  
Whenever she's away from you  
If you fall in love You gotta hear me talkin' to ya  
'Cause I'm your best friend  
And I'd hate to see you goin'  
Where I've already been  
'Cause I've been in love before  
And I won't ever be the same again  
You better listen to me, Jim If you fall in love  
Nothin' gonna be the same  
You walk around callin' out her name  
You throw your heart down like a glove  
Push come to shove  
You only end up lonely and blue  
Whenever she's away from you  
If you fall in love There she is again  
She sure looks fine  
Boy, I know you're walkin'  
On a very thin line  
So I guess it's up to me  
'Cause your heart's not as strong as mine  
Well just this one time If you fall in love  
Nothin' gonna be the same  
You walk around callin' out her name  
Throw your heart down like a glove  
Push come to shove  
You only end up lonely and blue  
Whenever she's away from you  
If you fall in love  
If you fall in love

If you fall in love
