

# Crystal Clear Ice (Prod. Yung Sherman)

## Yung Lean

Cr-cr-crystal clear ice, I'm feelin' like the snow, man  
When I came through, everybody seemed so slow, man  
The loud makes me slow, man  
I do this for my snowmen  
I don't want to answer  
I don't like to use my phone, man  
Crystal clear ice, I'm feelin' like the snow, man  
When I came through, everybody seemed so slow, man  
The loud makes me slow, man  
I do this for my snowmen  
I don't want to answer  
I don't like to use my phone, man  
Life through ice, so excite, couldn't refresh my eyes  
Taken by surprise, I'm soo high, I'm in paradise  
Walkin' to the castle, every row, bumpin' section side  
Even though I'm high, all I got on me is loud  
Bitch I got it twice, I'm back for the price  
Starship 'round my ice, I got crystal, crystal ice  
Wet came through, ya know I wanna know the price  
I used to fantasize about this when I was five  
Crystal clear ice, man I'm fellin' like the snowman  
When I walk out, they sit in the front row, man  
Shouts to my team and everybody that I know, man  
They will always try and can't catch me, but they're too slow, man
