

Mississippi Flood (feat. Hayden Panettiere)

Nashville Cast

I've got flowers but there ain't no grave
You're still walkin' 'round but nothing's changed
I've stopped breathin' but I'm still feelin' the pain
Everywhere I go, I hear your name
Want to get out, want to get off of this street, out of this place
You're still breathin' but you're not feelin' the pain
Put out the fire, can't kill the flame
Chorus
I - I - I - I know I'm free but still
My hands are tied
Behind my back beside the Mississippi flood
This love won't give up
No, it don't run dry
Why-y-y
It's gone, it's gone, but it ain't dead and gone
It's gone, it's gone, but it ain't dead and gone
I'm not twisted, bitter, I'm not mad
I just wish you would get off my map
I've been hidin' but you keep findin' my tracks
Why do you keep on comin' back?
Chorus (2x)
I - I - I - I know I'm free but still
My hands are tied
Behind my back beside the Mississippi flood
This love won't give up
No, it don't run dry
Why-y-y
It's gone, it's gone, but it ain't dead and gone
It's gone, it's gone, but it ain't dead and gone
It's gone, it's gone, but it ain't dead and gone
