

It's Alright

Bloodgood

Now the day has gone away
You're sitting in the dark
When you say you are that way
You are because you are With the tongue your mind can speak
Your will is strong when it should be weak
From your heart you overflow
How you feel is what you show Oh, it's alright, yeah, it's alright
It's alright by me
Oh, it's alright, yeah, it's alright
It's alright by me Soon you'll say you have to pray
'Cause praying is a start
Good for you 'cause I have to pray too
I feel it in my heart When you ask for your desires
He wants to please your soul
But when you stand inside the fire
He wants to make you pure as gold Yeah, it's alright, oh, it's alright
It's alright by me
Oh, it's alright, yeah, it's alright
It's alright by me Oh, it's alright, yeah, it's alright
It's alright by me
Oh, it's alright, yeah, it's alright
It's alright by me Kindly souls they find a home
And very rarely lose
Life is light when switched on right
Your nature you must choose When you seek a life worth living
You will find it in time
Don't refuse the gift he's giving
Death's a bitter wine Yeah, it's alright, oh, it's alright
It's alright by me
Oh, it's alright, yeah, it's alright
It's alright by me Oh, it's alright, yeah, it's alright
It's alright by me
Oh, it's alright, yeah, it's alright
It's alright by me
