

# The Farmer's Daughter

## Fleetwood Mac

I do come from miles away  
Ain't got no place to stay  
Glad to help you plow your fields  
Farmer's daughter Might be just a couple of days  
Clean up rest and on my way  
Thank you and I'm must obliged  
Farmer's daughter  
Ooh, ooh So long better leave your land  
Many thanks it was mighty grand  
I do hope to see you again  
Farmer's daughter Ooh, farmer's daughter  
Ooh, farmer's daughter  
Ooh, farmer's daughter  
Ooh, farmer's daughter
