

# She's Love

## End of Fashion

Time and time again  
I'm over seduction  
Closer now, closer now, stop  
With my hand on a fire  
Of a desire  
When all I want to do is relay She's love  
She's love (woah)  
She's love  
She's love (la da di) Sit, don't stay  
It's only the weekend  
It's only that I care  
Come on lover, love me like that  
Why are you so indie?  
Where are you going?  
When all I want to do is relax She's love  
She's love (woah)  
She's love  
She's love (woah)  
She's love  
She's love (woah)  
She's, She love (la da di)
