

# Find A Little Faith

Olivia Newton-john

Well every night there comes a time  
when we're put to the test  
and though our hearts are weary  
we must turn the ride to rest.  
And though at times it seems that we  
will never make it through  
when you're ready to give up  
the strength will come to you  
(refrain)  
And you'll find a little faith  
in the darkest hour  
when your hope is on the guard  
you're gonna feel the power  
if you take a little time  
for one last breath  
you'll find a little faith  
waiting in there.  
It's hard to find a reason  
for the suffereing and pain  
even those with hearts of gold  
cannot escape the rain.

Maybe it's the only way  
a heart can truly grow  
to reach so deep inside ourselves  
we find a miracle.  
And you'll find a little faith  
in the darkest hour  
when your hope is on the guard  
you're gonna feel the power  
if you take a little time  
for one last breath  
you'll find a little faith  
waiting in there.  
So don't let it go  
when your back is to the wall  
thought it seems that all is lost  
impossible  
heaven knows that even angels fall

someone out there loves you  
stir it up  
put it up  
hold it out  
(refrain)
