

# Nothing But / Bridge to Paradise

[\*\*Mike Oldfield\*\*](#)

You will have nothing but love  
Nothing but hope, blue sky above  
You will find nothing but peace  
Nothing but the sun shining on your faceWhen you open your eyes  
When you open your eyesYou will feel nothing but free  
Nothing but trust, that's how it should be  
And one who cares about nothing but you  
Watching close by the whole night throughWhen you open your eyes  
When you open your eyesYou will feel nothing but warm  
Nothing but shelter from the storm  
You will have nothing but rest  
Deep in your heart, nothing but the bestWhen you open your eyes  
When you open your eyes  
Nothing but love when you open your eyes  
Nothing but love when you open your eyesWhen you open your eyes  
When you open your eyes  
Nothing but love when you open your eyes  
Nothing but love when you open your eyesWhen you open your eyes  
When you open your eyes  
Nothing but love, nothing but love  
Nothing but love when you open your eyes  
Nothing but love when you open your eyesOoh, nothing but love when you open your eyes  
Ooh, nothing but love when you open your eyes
