Me And Those Dreamin' Eyes Of Mine

D'angelo

When I first saw you baby, I wanted to die
Me and those dreaming eyes of mine, started to cry
Then I'd dream, wishing my fantasy
Would soon become a reality
'Cause every time I see you baby, all I do is sigh
'Cause you're the most precious thing
That my dreaming eyes has ever seen
So I'll continue to dream
Me and those dreaming eyes of mine
Is it just that you're the finest little thing
That I ever saw, or is my imagination running too far
Or is it that my eyes are telling me something you could never see
Something like me being with you, or you being with me
Ooh we baby, you've redefined my vision of love it seems
Your love be the cherry in my chocolate covered dreams
So it seems, my oh my
Me and those dreaming eyes of mine
Oh my goodness, here she comes, switching that ass
I wondered if the men in her past have treated he bad
But if I had the chance, I'd treat her like a queen
Just like I do in all my dreams
If you only knew how many times that I think of you
I'm quite sure that you would find, I'm going out of my mind
My oh my, me and those dreaming eyes of mine
Is it just that you're the finest little thing
That I ever saw, or is my imagination running too far
Or is it that my eyes are telling me something you could never see
Something like me being with you, or you being with me
Ooh we baby, you've redefined my vision of love it seems
Your love be the cherry in my chocolate covered dreams
So it seems, my oh my
Me and those dreaming eyes of mine
Is it just that you're the finest little thing
That I ever saw, or is my imagination running too far
Or is it that my eyes are telling me something you could never see
Something like me being with you, or you being with me
Ooh we baby, you've redefined my vision of love it seems
Your love be the cherry in my chocolate covered dreams
So it seems, my oh my

Me and those dreaming eyes of mine
Oh, my eyes
My eyes
