Bitter Sweet Symphony

The Verve

'Cause it's a bittersweet symphony, this life
Try to make ends meet
You're a slave to money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
Where all the veins meet yeah,No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
But I'm a million different people
From one day to the next
I can't change my mold
No, no, no, no, noWell I never pray
But tonight I'm on my knees yeah
I need to hear some sounds that recognize the pain in me, yeah
I let the melody shine, let it cleanse my mind, I feel free now
But the airways are clean and there's nobody singing to me nowNo change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
From one day to the next
I can't change my mold
No, no, no, no, no
I can't change
I can't change'Cause it's a bittersweet symphony, this life
Try to make ends meet
Try to find some money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
Where all the things meet yeahYou know I can't change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
From one day to the next
I can't change my mold
No, no, no, no, noI can't change my mold
No, no, no, no, no,

I can't change
Can't change my body,
No, no, noI'll take you down the only road I've ever been down
I'll take you down the only road I've ever been down
Been down
Ever been down
Ever been down
Ever been down
Ever been down
Have you ever been down?
Have you've ever been down?
