Have You Ever Been In Love

Leo Sayer

In the morning light
Half awake and half asleep
Have you ever lay there thinking
Was it all in a dreamBut you reach out and shes there
Every moment everywhere
Have you ever been in loveHave you ever felt
How far a heart can fall
Have you ever stayed up waiting
For a telephone callJust to hear her say hello
Cos you miss each other so
Have you ever been in loveHave there been times to laugh
And times you really wanna cry
Finding reasons to believe her
Cos shed die a little if she liedAnd when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What its all aboutWhen shes far away
Did you ever felt the need to stray
And tried and then discovered
It just doesn't payAnd with her you can be true
For with her you can be you
Have you ever been in loveHave there been times to laugh
And times you really wanna cry
Finding reasons to believe her
Cos shed die a little if she liedAnd when in times of doubt
Have you ever tried to work it out
But still she leaves you wondering
What its all aboutAnd when in times of doubt
Have you ever tried to work it out
Ah, still she leaves you wondering
What its all aboutAnd when the night comes down
Can you call this house a home
Do you dream youre still together
And wake up aloneHave you ever been in love
The way that Im in love
Have you ever been in love
