# Drown

## Ar'mon & Trey

(Intro)
[Ad-libbing]
Uh-huh
Uh, uh-huh
Uh-huh
Yeah

(Verse 1)
Take it off
Let me take control
And you've been wanting, what you needing
Imma give it to you
Before I dive inside
Blow the whistle
I start swimming in
I'm drowning oh

(Pre-hook)
Girl don't make your bed up
We gone mess up them covers
You better stay up
I'm coming through to lay you down
It's now or never- won't you let me know?
Sit back relax and just enjoy the show

(Hook)
I wanna drown in you baby
Swimming in your ocean all night long
You know I appreciate your patience so you gon' get it
All night long

Drown in it babe, drown in it babe (Uh-huh)
Dr-dr-dr-drown in it babe, drown in it babe (Uh-huh)
Dr-dr-drown in it babe, drown in it babe (Uh-huh)
Dr-dr-dr-dr-drown in it babe, dr-drown in it babe (Yeah)

(Verse 2)
Wrap the map
So far I traveled from A to Z
From sea to sea

And nobody does you like me, no
Girl when it's going down
You go on another round

(Pre-hook)
Girl don't make your bed up
We gone mess up them covers
You better stay up
I'm coming through to lay you down
It's now or never- won't you let me know?
Sit back relax and just enjoy the show

(Hook)
I wanna drown in you baby
Swimming in your ocean all night long
You know I appreciate your patience so you gon' get it
All night long

(Bridge)
Drown in it
(Drown in it)
Swim in it
(Swim in it)
Drown in it
(Drown)
Soaking in it
Drown in it
(Drown in it)
Swim in it
(Swim in it)
Drown in it
(Drown)
