

Keep On Knocking

Death

If I can remember
It was you who didn't wanna see my face
If I can remember
It was you who put me in my place
You get down, and I
I wanna play play play
Well I got news for you
That ain't the way it's gonna be
You thought that me and you
Were just fair game
But now you're back for more
And I forgot your name
I'm sorry baby
It had to end like this
You don't try
And you take offense
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
I bet you're wondering
I got along without you
For your information
There're so many things I could do
If I can hope that
That what I'm sayin' ain't true
Well then baby
Then find somebody new
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
Keep on knockin', keep on knockin' on the door
