

# Her Ghost

## Woman's Hour

I know I ask  
Too much of you  
And I'm pushing  
You Away I've got nothing to say to her ghost  
Hoping she'll fade away  
I've got nothing to say to her ghost  
Love does not live this way  
Take your words and put them in my mouth  
Help me say the things that never come out  
I forgive you  
So afraid I'm scared you'll walk away  
Eyes are tired but I'm wide awake  
I forget you My love  
I'll learn to let go  
Of all the things I thought we had I've got nothing to say to her ghost  
Hoping she'll fade away  
I've got nothing to say to her ghost  
Love does not live this way  
Take your words and put them in my mouth  
Help me say the things that never come out  
I forgive you  
So afraid I'm scared you'll walk away  
Eyes are tired but I'm wide awake  
I forget you
