

Praise Goes On

Elevation Worship

Here in your light we find
What makes us come alive
A sacrifice of praise
A city on a hill
Surrendered to your will
Your glory on display

Awesome in this place
Jesus you are awesome in this place
Worthy to praise, Jesus you will be praised
You will be praised

Your love a force of grace
Consuming every spare
It's uncontainable
You're coming like a flood
Our hearts are filling up
All things are possible, all things are possible

Your praise goes on and on forever more
We lift the name of Jesus
Your kingdom come
Is what we're living for
We lift the name of Jesus
