

# Since I Fell for You

**Ernestine Anderson**

When you just give love and never get love  
You'd better let love depart  
I know it's so and yeah I know  
I can't get you out of my heart  
You made me leave my happy home  
You took my love and now you've gone  
Since I fell for you  
Love brings such misery and pain  
I guess I'll never be the same  
Since I fell for you  
Well it's too bad, it's too sad  
But I'm in love with you  
You love me and you snub me  
But what can I do when I'm still in love with you?  
I guess I'll never see the light  
I get the blues most every midnight  
Since I fell for you, since I fell for you
