

Old Letters

Company Of Thieves

I went sifting through old letters just to find your number written on a page.

sometimes I remember secrets that you said in places nobody could trace.

ohh you creep around my head, with all the things you said

and boxes that you kept labled light with my name.

In case I didnt stay.

Of course Id never stay for promises you breaaaaake.I'll go running

I'll be where you are

I'll go running

I'll see

you'll find outWatch me reinvent the weather

maddness in my head will turn a darker red

just as you had predicted my blood has turned quite thick

the sight of me will surely sicken you to death

all the people that you said

had been interested in listening all disappeared

how convinient this was I placed all of my trust in someone I thought worthy of so very muchohh you creep up

on me kinda like a nightmare in my sleep

ohh you creep up on me kinda like a nightmare in my sleep
