Out on My Own

Fletcher C Johnson

I can change the world, with my own two hands
Make it a better place, oh, with my own two hands
Make it a kinder place, with my own two hands
With my own
With my own two handsI can make peace on earth, oh with my own two hands
I can clean up the earth, with my own two hands
I can reach out to you, with my own two hands
With my own
With my own two hands
With my own
With my own two handsI'm gonna make it a brighter place, oh, with my own two hands
I'm gonna make it a safer place, Oh with my own two hands
I'm gonna help Jah human race, yes oh with my own two hands
With my own
With my own two hands
With my own
With my own two handsNow I can, I can hold you, oh with my own two hands
And I, and I can comfort you, with my own two hands
But you got, got to use, oh use your own two hands
Use your own, use your own two hands
You got to use your own, oh use your own two hands
With our own, with our own two hands
With our own
With our own
Two hands
With my own
With my own
Two hands
